

SUPPLIER TERMS AND CONDITIONS

All purchase orders (each, individually, an "Order," collectively the "Orders") between Accutron or any of its subsidiaries, including without limitation, Accutron. (the Buyer"), and the party identified as Seller, Supplier or Vendor on the face of the Purchase Order (the Seller") is expressly limited to and made conditional upon the terms and conditions contained herein, and any of Seller's terms in addition to or different from those contained herein, whether contained in an acknowledgment, invoice, or other document sent to Buyer, are hereby objected to and shall be of no effect. Any term contained in any subsequent invoice, confirmation, or other material of Seller, whether or not such inconsistent terms are material, shall not be binding upon Buyer. These terms and conditions may only be waived, altered or modified by a written agreement signed by an officer of Accutron.

1. ORDER ACCEPTANCE & CONTRACT - This order may be accepted by a written notice of any exceptions within two (2) days after the date of the order. In the event any exception is acknowledged as provided herein, the Buyer or company officer and Seller shall then negotiate mutually acceptable terms and conditions. Additionally, the Seller's complete acceptance of the order will be presumed if no order confirmation occurs as stipulated on the order and/or Order performance begins --- at any stage of the order fulfillment cycle. This Purchase Order and the acceptance thereof shall be a contract made in the state shown in the Buyer's address on the face of this Purchase Order and governed by the laws thereof.

2. PRICE - Seller shall furnish the goods or services in accordance with the price set forth on the face of this Purchase Order. Unless otherwise stated, the price terms contained herein include all costs or charges of any kind that will be paid by Buyer and Buyer shall not be liable for any other costs or charges, all of which shall be borne by Seller, including, without limitation, charges for inspection, packaging, and freight, all federal, state and municipal sales, use and excise taxes, VAT and any customs duties. The price terms shall remain fixed until completion of the deliveries contemplated hereunder. Seller warrants that the prices charged for goods or services covered by this Purchase Order will be as low as the lowest prices charged by Seller to customers purchasing goods or services of like kind and quality shall not be filled at prices higher than those shown on the order, unless such increased prices have been authorized in writing by the Accutron Buyer or an officer of Accutron.

3. DELIVERY DATE IS OF THE ESSENCE - Delivery shall be strictly in accordance with the schedule set forth in the "Dt ReQu'd" column of the Accutron purchase order. Orders will be considered as "On-Time" when they arrive no more than TEN (10) business days early and no more than THREE (3) business days late. Delays in the shipment(s) shall be reported immediately by the Seller to the Accutron Buyer. The Buyer's Production Schedules are based upon the understanding that purchased material will arrive on or before the due date required. The Buyer reserves the right to cancel the order in whole or in part if Seller should fail to make deliveries in accordance with the terms of the Order and any Corporate Purchase Agreement(s) referenced herein. The Buyer reserves the right to refuse or return at Seller's risk and expense, shipments received more than thirty (30) days in advance of the schedule of deliveries set forth on the order (s).

4. SUPPLEMENTARY ORDER INFORMATION - Any specifications, drawings, notes, instructions, engineering notices, or technical data referred to in or included with this Purchase Order shall be considered incorporated herein by reference as if fully set forth. In case of any discrepancies or questions, the Seller shall refer to the Buyer for the final decision(s) or instructions as necessary.

SUPPLIER TERMS AND CONDITIONS

5. TITLE TO SPECIFICATIONS - Buyer shall at all times have title to all drawings and specifications furnished by Buyer to Seller and intended for use in connection with the order. Seller shall not disclose such drawings and specifications to any person, firm, or corporation other than the Buyer's or Seller's employees, subcontractors, or Government inspectors. The Seller shall, upon Buyer's request, promptly return all drawing and specification information to the Buyer.

6. BUYER'S PROPERTY - All material, including tools, furnished, or specifically paid for by the Buyer, unless otherwise specified herein, shall be the property of the Buyer. They shall be subject to removal at any time without additional cost upon demand by the Buyer. They shall be used only in filling orders from the Buyer and kept separate from other materials or tools. Additionally, the tooling will be clearly identified as the property of the Buyer. Seller assumes all liability for loss or damage with the exception of normal wear and tear and agrees to supply detailed statements of inventory promptly as agreed or when requested with appropriate notice.

7. PURCHASE ORDER CHANGES AND TERMINATION - Unless otherwise specified, the Buyer may make changes in the delivery schedules, drawings, quantities, designs, and specifications under this purchase order, prior to confirmation. Additionally, from time to time, prior to shipment and without penalty or charge --- Seller understands that production priorities change and will accommodate reasonable delivery date adjustments. Likewise, the Buyer may make changes in the method of shipping or packing and place of delivery under this purchase order at any time --- prior to shipment without penalty or additional charge. All changes and terminations that affect the order must be authorized in writing by the Buyer and/or an officer of Accutron.

8. PAYMENTS - Payment terms are specified on the purchase order, unless otherwise agreed to in writing and signed by an officer of Accutron. The Seller shall send invoices to the Buyer's Accounts Payable Department at the address shown on the purchase order. Invoices are not to be enclosed with goods or submitted to individuals or other addresses. Delays in receiving invoices, as well as errors and omissions thereon, will be considered *just cause* for withholding payment without losing discount privileges. Unless otherwise agreed, invoices covering articles shipped in advance of specified delivery dates will not be paid until their normal A/P maturity date for the specified order delivery.

9. REMEDIES - The rights and remedies provided to Buyer herein shall be cumulative and in addition to any other rights and remedies granted by law or equity (or provided under the Uniform Commercial Code). The Buyer shall have, in addition, any other rights and remedies provided by law, equity or under the order, the right to set-off against any open Purchase Order or other amount owing at any time from the Buyer to the Seller.

10. CASH DISCOUNT - Discounts shall be calculated from the date the material is received by the Buyer, at the referenced Purchase Order destination.

11. ORDER QUANTITIES AND OVERSHIPMENTS - Subject to inspection and acceptance, the Buyer will be liable for payment only for quantities ordered and delivered correctly. Material delivered in excess of the quantity ordered can result in substantial administrative expenses to the Buyer. Therefore, materials delivered under the order in excess of the quantity specified within the PO's line items may be retained by the Buyer at no additional cost. Seller shall be liable for handling charges or return shipping costs for any excess quantities shipped by Seller and returned by Buyer.

12. MATERIAL SHELF LIFE - Material supplied with limited shelf life, must have a minimum of 75% shelf-life remaining to be considered acceptable. Seller is responsible for alerting Buyer about any difficulties in meeting this requirement --- before any shipment occurs.

SUPPLIER TERMS AND CONDITIONS

13. SHIPPING & PACKAGING - All goods are to be shipped freight collect, FOB destination by the specified carrier unless otherwise stated. (a) DO NOT CHARGE INSURANCE except upon Buyer's written request. (b) Regardless of FOB point. Seller agrees to bear all risk of loss, injury or destruction of goods and materials ordered herein which occur prior to acceptance by Buyer. (c) No such loss, injury, or destruction shall release Seller from any obligations hereunder. (d) All electronic / electromechanical parts supplied to Accutron. are to be packaged in ESD protective packaging. (e) Seller is responsible for all cost associated RoHS, REACH, or WEEE noncompliance returns and will accept a full return for all parts not meeting any Federal or State Regulatory or Environmental compliance regulations.

14. WARRANTY - The Seller warrants that all materials or services delivered hereunder will (a) conform exactly to the design and specifications and to drawings, samples, or other descriptions referred to in or on the order, (b) conform strictly to the requirements of the order, (c) be merchantable and free from any defects in materials and workmanship and (d) that only new and authentic materials are to be used in products delivered to Buyer. No counterfeit or suspect counterfeit parts (defined as including, but is not limited to: (i) an item that is an illegal or unauthorized copy or substitute of an OEM item; (ii) an item that does not contain the proper external or internal materials or components required by the OEM or that is not constructed in accordance with OEM specification; (iii) an item or component thereof that is used, refurbished or reclaimed but the Seller represents as being a new item; (iv) an item that has not successfully passed all OEM required testing, verification, screening, and quality control but that Seller represents as having met or passed such requirements; or (v) an item with a label or other marking intended, or reasonably likely, to mislead a reasonable person into believing a non-OEM item is a genuine OEM item when it is not) are to be contained within the delivered product. Buyer shall give the Seller any notice of any defect or non-conformity (whether latent or patent) within one year from the date of delivery of any articles affected thereby, the Seller shall at no cost to Buyer and with all possible speed, repair or replace articles thereof. Further, Seller shall reimburse the Buyer's cost of direct material scrap and rework, including associated labor and other reasonable costs --- in each case, caused by or arising as a result of the defective material, workmanship or components. This warranty shall survive the Buyer's inspection, delivery, acceptance, or payment by the Buyer and shall, together with Seller's service guarantees, if any, be extended to the Buyer and its customer. Nothing herein shall operate to exclude or limit Seller's warranties implied by law.

15. INSPECTION AND REJECTION - Final inspection shall be on the Buyer's premises unless otherwise agreed in writing. Rejected material that does not conform to the Purchase Order or has been mishandled in shipment --- shall be returned at the Seller's expense, including transportation and any reasonable handling costs.

16. NON-CONFORMING MATERIAL - Suppliers are responsible for notifying Accutron if non-conforming materials have been inadvertently shipped to Accutron. As stated herein --- Seller is responsible for all cost associated Order, RoHS, REACH, WEEE, or other applicable regulatory requirement deficiencies and will accept a full return for all parts not meeting current Order, Federal or applicable State regulations.

17. PRODUCT CHANGE NOTIFICATION - Accutron. requires all suppliers and external manufacturers to have Lot & Date Code and Change control procedures incorporated into their production system. Suppliers shall provide Accutron. notification of any change to their system that has any type of effect on the final product and/or raw material

SUPPLIER TERMS AND CONDITIONS

supplied to Accutron. These types of changes are, but not limited to, Revision, specification, process, and inspection methodologies.

18. **RECORD RETENTION** - Accutron. requires all suppliers to maintain all fabrication or manufacturing related data records for a minimum of 15 years. These records can be written or electronic and shall include, but are not limited to, purchase order number, pricing, quantity shipped, ship date, part revision, date and lot numbers, inspection, and corresponding shipping information. These records are NOT to be destroyed without Accutron's prior approval. You will be notified if any projects entail record retention for the life of the project. Seller shall alert Buyer, prior to Purchase Order confirmation, if this Flow-Down requirement cannot be adequately ensured at order entry.

19. **SOURCE INSPECTION** - As needed, the Supplier will make available to Accutron., end-customer, or Government representatives --- their production or appropriate facility for any necessary source inspection validation, and that may include all documentation generated for the production of the materials --- that are supplied to Accutron. Appropriate notice will be given for any related source inspection request, and normal business protocols will be properly negotiated with the appropriate parties.

20. **CONFIDENTIALITY** - The Seller may not disclose to any third party, or use to the detriment of the Buyer or our end customer, the existence or details of any Order, these terms and conditions or any agreement or prior arrangement with the Buyer, or any information the Seller receives or learns about the Buyer in connection with or as a result of an Order, except as is necessary to fulfill the purchase orders specifications and/or requirements adequately.

21. **TOOLING** - Whenever tooling, die fixtures, molds are specified as a line item on the Purchase Order --- such tools shall be and will remain, the sole property of Accutron. Such tools shall be maintained at the supplier's facility and kept in good operational condition. Upon demand, such tooling, die fixtures, or molds shall be delivered to Accutron. via common carrier or other agreed-upon shipping methods.

22. **PATENTS** - Seller shall defend, indemnify and save the Buyer, its successors, assigns, affiliates, directors, officers, employees harmless against all claims, judgment, and awards which may be made under the patent laws of the United States and other countries resulting from the use or sale of any goods furnished pursuant to this Purchase Order, including goods manufactured in accordance with Buyer's order specification(s).

23. **TAXES** - Except as may be otherwise provided in this Purchase Order, the contract price shall include all applicable Federal, State, local taxes in effect on the date on the contract and/or purchase order date.

24. **ASSIGNMENT** - The Seller shall not delegate any duties, nor assign any rights' or claims under this Purchase Order, or for breach thereof, without the prior written consent of the Buyer, and any such attempted delegation or assignment shall not be binding on the Buyer. All claims for moneys due or to become due from the Buyer shall be subject to deduction by the Buyer for any set-off or counterclaim arising out of this or any other of the Buyer's Purchase Order with the Seller, whether such set-off or counterclaim arose before or after any such assignment by the Seller.

SUPPLIER TERMS AND CONDITIONS

25. **BANKRUPTCY** - In the event of any proceeding, voluntary or involuntary in bankruptcy or insolvency by or against the Seller, including any proceeding under the applicable Federal or State Bankruptcy law currently in effect, or in the event of the appointment with or without Seller's consent, of an assignee for the benefit of creditors or of a receiver, then the Buyer shall be entitled to cancel any unfilled part of this Purchase Order without any liability whatsoever, and the Buyer shall be entitled to withhold, for a reasonable time, from any payments due from the Buyer an amount estimated by the Buyer to be a reasonable reserve for payment to the Buyer --- of any future claims against the Seller for returns, defects, and the like.

26. **TITLE AND RISK OF LOSS** - Title and risk of loss shall pass to Buyer at the F.O.B./F.C.A. destination designated on the order, provided; however, that the risk of loss shall remain with Seller as to goods which are not accepted by Buyer or which are rejected by Buyer. Additionally, any losses accruing from Seller's deviation from the Buyer's routing instructions --- will be changed or charged to the Seller's account.

27. **OBJECTIVE QUALITY EVIDENCE** - Seller agrees to maintain objective, quality evidence for materials supplied hereunder in accordance with an approved Quality Standards system. Seller shall supply this evidence to the Buyer upon appropriate request.

28. **COMPLIANCE WITH LAWS** - Seller and Seller's subcontractors, if any, shall comply with all Federal, State, and local laws applicable to the order and the materials or services delivered hereunder.

29. **EQUAL OPPORTUNITY** - Seller further agrees to comply with the provisions of all rules and regulations (including those of the Secretary of Labor) and Executive Orders (including Nos. 11246, 11375, 11625, 11701, and 11758) applicable to the order regarding nondiscrimination because of race, creed, color, sex, age, national origin, physical or mental handicap, and veteran status.

30. **OSHA** - Seller warrants that all materials and services delivered hereunder shall comply with all provision of the Williams-Steiger Occupational Safety and Health Act of 1970, including any then-current rules and regulations issued hereunder.

31. **ETHICS POLICY** - Accutron. expects all of its Supplier partners to conform and comply with the Accutron Ethics Policy. The ethics Policy can be found on the Accutron Web Site: www.accutroninc.com. Seller must maintain and implement an ethics behavior program appropriate for its business throughout the performance of this order.

32. **SUPPLIER PERFORMANCE** - Accutron. expects its Suppliers to strive to meet a delivery rating of 95% or better and maintain a positive Quality Rating. Supplier performance will be reviewed periodically by Accutron. If a Supplier's performance is negatively impacting Accutron's ability to meet their customer's requirements --- the corrective action process will begin, improvement steps may be identified, and/or we may begin to disengage our business involvement activities with the non-compliant supplier.

33. **SUPPLIER FLOW DOWN REQUIREMENTS** – Seller shall ensure that all relevant PO requirements are flowed down to its sub-tier suppliers (and theirs, and so on). Seller's sub-tier suppliers are responsible for complying with the same specifications and requirements specified on this PO as the supplier itself. Seller shall alert the Buyer if they are unable to flow down any applicable order requirements --- prior to Purchase Order confirmation.

SUPPLIER TERMS AND CONDITIONS

34. COUNTERFEIT DETECTION - Seller shall have a counterfeit detection process for all electrical, electronic, and other electronic component parts that meet the intent, at a minimum, of SAE standard AS5553, Counterfeit Electronic Parts, Avoidance, Detection, Mitigation, and Disposition. In the event a part is not directly available from the OCM/ OEM or franchised distributors, purchase from independent distributors may be made, but the evidence of supply chain traceability (chain of custody) back to the OCM/ OEM shall be provided as a Certification of Conformance. The Certification shall clearly identify the name and location of all of the supply chain intermediaries from the original manufacturer to the final source of the product delivered to Buyer. Note: Distributors shall, in addition to the above, include their company's certification (Certificate of Conformance) for each part number shipped. If evidence of supply chain traceability (chain of custody) to the OCM/ OEM is not available, the Seller must notify the Buyer immediately in writing and get authorization to purchase this product, and our Buyer will send you a D088 (Component Purchase Approval) form to complete. Notification: Should Seller become aware of confirmed counterfeit parts that, by any means, have been acquired for this contract, whether they have not been delivered to Buyer, Seller shall notify Buyer as soon as possible but no later than seven (7) days of discovery. The Seller must verify the Buyer's receipt of this notification in writing. Confirmed counterfeit parts are expected to be reported to the Government-Industry Data Exchange Program (GIDEP) and applicable Canadian and/or US Government investigative authorities not later than 60 days. Confirmed counterfeit parts will be segregated from conforming parts and controlled until rendered unusable, outside testing laboratory as needed, and by physical destruction (for example, cutting of leads and mechanical mutilation). Seller shall quarantine suspect counterfeit and/or suspect counterfeit parts and make these available for investigation by appropriate government authorities. Seller shall be liable for all costs relating to the removal and replacement of counterfeit components and the cost of rework or corrective action that may be required to remedy the use or inclusion of such parts.

35. REGULATORY AND ENVIRONMENTAL COMPLIANCE - Seller shall comply with all federal, state and local laws and government rules and regulations of the United States of America and other countries as applicable to Seller's authorized supplier, manufacturing facility, sale, import or export of the Items (inclusive of packaging and marking) or the performance of services covered by this order, including but not limited to: the import and export laws/regulations of the United States or recognized governments or agencies in all appropriately contracted countries. Likewise, Seller shall comply with all Environmental Regulations governing the manufacture, use, and distribution of the Items furnished under this Order at Seller's own expense. For this purpose, "Environmental Regulations" means all laws, regulations, directives, ordinances, orders, and decrees of any kind, adopted or implemented in any country, state, province, region or jurisdiction governing: (i) the use of hazardous substances; (ii) waste electrical and electronic equipment; (iii) conflict minerals; (iv) batteries, accumulators and waste batteries and accumulators; (v) packaging and packaging waste; and (vi) the registration, evaluation, authorization, and restriction of chemicals. Environmental Regulations include, but are not limited to, Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011, Restriction on the Use of certain Hazardous Substances in Electrical and Electronic Equipment, (RoHS 3") and/or ("EU RoHS"), European Directive (EC) No 2015/863 on the Registration, Evaluation, Authorization, and restrictions of Chemicals ("EU REACH-SVHC10/2019") <https://echa.europa.eu/candidate-list-table>, ("WEEE COMPLIANCE-2/2003"), ("US CALIFORNIA PROP. 65 – 8/1986") and notification of use of "Conflict Minerals" under Section 1502 of the United States Dodd-Frank Wall Street Reform and Consumer Protection Act(s), each as currently amended. Seller shall provide written certification and proof
